+Creative Director at Hothaus Creative

October 2006 - May 2010 - I provided a creative vision for a variety of clients in News and Cable Television. Utilizing Film and HD content, we provided a mix of beautiful imagery and clean design. Creating high-end graphics, editing and compositing for many of today's top Cable and Television Networks. I managed storage, backup and propagation of digital footage to artists and stations.

+Promotions Writer/Producer/Designer at KTVT CBS 11

2004 - 2006 - Co-Produced station image campaigns for KTVT and KTXA. Redesigned promotional graphics for UPN 21. Helping to brand the station under the "Made You Look" slogan. Designed and composited the "to The Max" franchise for the UPN O&Os. During that time I transitioned to the Promotions Department as a Writer/ Producer. Editing and compositing the very spots I was writing. Also assisted in station events for the CBS network.

+Senior Designer at KSAT 12

2003 - 2004 - Managed a team of five designers; Delegated the work flow, Art Directed the look and feel of the station. Relaunched the News graphics package for the AM, 5, 6, and 10pm newscasts. Helped strengthen the relationship with the News Department. Assisted in Station outreach programs like Bikes for Tykes, and other casting events for the ABC network.

+Broadcast Designer at KXAS NBC 5

2001 - 2003 - Completed daily news gfx. Produced animations for Promotions & Special Projects. Assisted in the Launch of the NBC Art House Project. Training designers in news graphics work flow, understanding news rundowns (iNews), and overall interaction with the News Department. Was one of a handful of designers there for the launch day of the NBC Arthouse. Helping design, name, and organize some of the first graphics used to make up their DekoMOS image library.

+Broadcast Designer at WFOR CBS 4

1999 - 2001 - Created daily news graphics, Animated treatments for promotions. Including custom graphics for sweeps promos, multiple Hurricane Season opens and bumps. Logo design and initial gfx package for Viewfinders (showcasing the work of our photojournalists). Helped maintain Macintosh computers in the Art Department (i.e. Network, System Maintenance, & Installs) Also assisted in casting events for the CBS network.

+Motion Designer at MIG (Multi Image Group)

1997 - 1999 - Created animated intros and large format graphics for; IBM, Blockbuster Video, Starwood, Empire Toys & American General. Often providing graphic support in supervised sessions with clients and sales staff.

+Designer at Successful Images

1995 - 1996 - Provided graphics and animations for such clients as AutoNation, Dun & Bradstreet and Dow Jones Telerate.
